It's impossible not to be 'swayed' by. Definitely looking forward to the next installment.

Book 1 sets up the basis of the entire series. The talk starts to get technical.

I think I might love the Hunter stories more than the main series if they continue along this line. So grab the freebie 1st book and enjoy the ride.

Of course, the situations were pretty fantastic as in fantasy but very entertaining. My opinions below are entirely my. Allison is a single mom who is working to raise This is a political novel without being political.
