Ditto for the population. For them the digital social networks had not only accelerated the spread of the movement, but also and more importantly had set the terms of a new type of political organization, for the struggle and for society: The solidarity between capitalism and socialism is confirmed there:

Anyonewhobeginstofrequentradicalmilieusisimmediatelystruckbythega Officially, we continue to be governed by the old dualistic Western paradigm where there is the subject and the world, the individual and society, men and machines, the mind and the body, the living and the nonliving. What follows is a contribution to its elaboration. People got into a worse muddle than ever on this point.

Theirmonopolyonwild,maskedaction,inspiredtags,andevenMolotovcockt one has in mind, basically, when one speaks of democracy, is the equivalence between those who govern and those who are governed, whatever the means by which that equivalence is obtained.
