View or edit your browsing history. Not as much exposition about the Fraterinas or if so, it's not as dry.

Whenthe twomeet Instead, she inadvertently acquires the help of Lord Adrian. I picked this up from the library on a whim, because I saw the word "governess" and that is my THING, the plotline that I love and will always grab. She is strong and straight forward without any tendency to whine or play games. Her stories are breathtakingly romantic.

But it is not clear if reading the earlier books would add context to this one. While the mystery did take up quite a bit of the book, I still felt satisfied with the romance aspects of the book. Adrian is the most fully-realized character.
