Author's Response George L. I therefore had to set boundaries. Self-positioning is linked to institutional positioning. I forbid you access to the white woman. Perhaps that has influenced me more than it should have, though I do make clear that the traditional image of man is still dominant, while today's body builders are only some of the men who still want to pass a test of manhood. They also stated that they refuse to show any weakness in their male performance because they fear people would disrespect .

Heisthe individual that rejects authority, law and societal norms. Here I had to rely largely on my own observations. I have attached here a consent letter and a questionnaire form.
