To Have His Cake (And Eat It Too): Mr. Darcy's Tale - P. O. Dixon - Google ?????

Editorial Reviews. Review. I found To Have His Cake (and Eat it Too) to be an imaginative, Book 1 of 3 in Pride and Prejudice Untold (3 Book Series).

The narrator had a nice clear voice that made hearing the story easy. Being away from Rosings, she gets her letter late, rushes off to Pemberley to stop the wedding and is beside herself to find out the wedding was two weeks ago, and they are on their honeymoon trip.

He enjoys his lifestyle and has no particular desire to marry at all. It's not that. To Have His Cake and Eat It Too tells of Darcy's journey from a man who, indeed, is proud and haughty, to one who seeks to please a woman worthy of being pleased. Bennett ends up dying after shooting each other along with Lydia.

And then we do read of numerous reassurances of love in the end. On the downside, I felt that Elizabeth didn't really fight very hard to keep him at a physical distance, I thought she might have been more cautious in her circumstances. All this happens right at the beginning of the book, so don't worry that I'm spoiling it. This book diverges very early on from Pride and Prejudice.
