I've learnt just as Jenna did that it's not about changing everything, but compromising. She feels real and I love. Having Jenna go to Canada and observe life in a very different environment from I was a very environmentally-minded teen. I'll admit that Olivia's change is more plausible than Fiona's, but it didn't feel realistic to me. Her character growth was fun and interesting to read. She's not shy and goes all in. The book was very le dramatic on the parents-may-be-but-not-really-divorcing-or-what-now issue front and pissed me off .
