Personal values are Personal Value general expression of what is most important for you. My bet for why this is so is that work has the appearance of being under our control; we can see immediate results if we work a little later, work a little harder, work our selves to the bone; we can satisfy that creative impulse that way. It is beneficial to reflect on your life, identify Personal Value of the significant events that have shaped you, consider what qualities you admire in yourself and others and be mindful of what values and are important to you.
