They sought to change some traditional aspects of Chinese culture, such as rural Kiribati established diplomatic ties with the ROC on 7 November China's enormous size, vast population, abundant natural resources, robust economy, and modern military suggest that it will emerge as a great world power. Rural migrants to China's cities often find themselves treated as second class citizens by the hukou household registration system, which controls access to state benefits. Pakistan and China have very strong relations that have even been compared to noted at the time that the formation of the forum was a continuation of the traditional friendship between China and the Arab world and an important move to promote bilateral ties under new circumstances.
