It can play havoc with spell check... and the way a UK person writes his blogs as opposed to an American. You know the profiles I'm talking. LunMar 10, ShowComments31Comments. More than anything, all of this wishing takes away my power to do anything about my desires and regrets. I don't think anyone would use the present tense today, except in reference to that rhyme, which I Wish I Might learns as a child. I always thought that might was the past tense form of . My pupil asked me about this. I wish I had been at the ball. Thanks, that makes sense.
