Thanks Warren for appreciation. Good for the writer but useless article for the most part for everyone. The potential is huge because Affiliate Marketing is a money making system which pays commission to the referrer after a sale is generated on the referred traffic.

Although, it requires communication skills and fluent English speaking but Online selling could be anywhere, and hence, it could be anything someone wants to sell and buyers approach them to buy it. Amazon, is just one example. Everything is very open with a very clear clarification of the issues.

The purpose of those sites are to manage a profile as a portfolio, and if you choose you decide to write a guest post, keep three things in mind:
