Goodreads helps you keep track of books you want to read. For journalist Alex Frankel, what began as an exercise in curiosity--tracing the evolution of a handful of the most successful brand names from the marketplace to their places of origin--resulted in a year-long journey in which he gained access to a previously undiscovered world of forward-thinking creatives:

One of the most valuable aspects of Wordcraft is that it shows the reader a number of approaches to the naming process. Your recently viewed items and featured recommendations.

ItrhymeswithNiagara,thefamousdestinationfornewlyweds.I found the book to be engaging, but I was looking for more answers about naming than about the personalities in the naming business. Keep reading and find out
