Of French origin, he was ordained into the Church of England in which year he also became chaplain of Christ Church and was awarded an MA by a decree of Convocation in Le Testament des Siècles (French Edition) Archived from the original on January 28, As we have seen, several scholars have explored the crucial role played by print in helping consolidate the emergence of the modern architectural profession during the nineteenth century Lipstadt, Mendelsohn, ; Lipstadt, ; Saboya, ; Bouvier, FollowusRSSfeed. This is very likely why some of Le Testament des Siècles (French Edition) first architectural historians to embrace the rhetoric of book history were specialists in the Renaissance, when printed materials and especially those that dealt centrally with architecture were still the nearly exclusive province of those same elite architects and patrons with whom scholarship was already engaged – something that could not be said of, say, the nineteenth century. He is the author of Architecture, Print Culture, and the Public Sphere in Eighteenth-Century France Routledge, and is currently working on a book about the reconstruction of the Paleochristian basilica of San Paolo
