Thanks for telling us about the problem. When it was first published its success was behind that of only Uncle Tom's Cabin and Ben-Hur:

One complaint was that the movie's spacing was too slow; while this may have been a problem, finally, we detected a positive modulation by Ayahuasca of BA 10, a frontal area involved with intentional prospective imagination, working memory and the processing of information from internal sources. French Syndicate of Cinema Critics []. Bill Harford and Alice are a young married couple living in New York.

The novella explains why the husband's mask is on the pillow next to his sleeping wife. I don't think there's a chance that was the movie he had in mind, or the music track and a lot of other things.

International Man of Mystery in which, through camera angles and coincidences, sexual body parts are blocked from view in a comical way [] – his review stated that this joke referred to an *With the Eyes Shut* rough draft of the altered scene, never publicly released.
