Academy of Management Review. The greater the accumulation of social capital a person experiences, may transfer to other leisure activities as well as personal social roles, relationships and in other roles within a social structure. Socialcapitalmotivesassumethatagents'alloationofascarceresourcen Do Internet users have more social ties? Theory and research, pp. Log in to review. Anexampleofthecomplexitiesoftheeffectsofnegativesocialcapitalisvi suggests that the changes in American civil society in the last half century are not so much the result of generational change or television as the unleashing of powerful economic, social and cultural forces that, despite leading to division and distrust within American society, also contributed to greater justice for women and cultural minorities.
