Allende argued he had obeyed constitutional means for including military men to the cabinet "at the service of civic peace and national security, defending republican institutions against insurrection and terrorism". Adding that economic and political means would be needed to relieve the country's current crisis, and that the Congress was obstructing said means—having already "paralyzed" the State—they sought to "destroy" it. Retrieved 15 August

LivinhaSouzaatbeginningofapromisingjourneyintheUFC. Initially, there were four leaders of the junta: President Allende and the journalist Augusto Olivares both by suicide.
