I found that I mostly felt sorry for him – not so much due to the attitudes of others as due to his own attitude towards. First, Alex is a great narrator. Alex mentions several times that she's invisible when she's around Seth. The readers do really get to see how Alex grows and changes throughout the book in a really realistic way. Reena did an excellent job within the Afterwards of giving an evaluation as to where in her heart this story developed from and it really helped me to further connect to her the Author as well as the story. She wasn't happy with her situation, following Seth around to parties and watching him hit on girls, and tended to complain about it a lot. She makes mistakes as she goes, but they are such learning experiences for. When relationship between two friends deepens during an impromptu road trip.
