These innovations all worked together to change the very structure of society and created what we today call the middle class. We do not feel sure that it is the best, but we have felt impelled to make a start, and make it .

AfamilypictureofanormalAmericanfamilyintheirModelTduringthe's.Ford
This was an intricate project of Ford's that was as instrumental as the Model T in making the V-8 cheap enough for the average consumer. The modern tourist industry was born, and jobs were created. We can thank him or curse him for what he has done, but either way, we have to acknowledge the impact Henry Ford had on our society. FoundedonRightDecisioRequest a new password. His desire to pay his workers a wage that could do more than sustain their existence brought a whole new economic class into .
