The mom asks questions on every other page such as, "Then who has been sleeping in my daughters bed? I love my own Mommy.

Get fast, free shipping with Amazon Prime. Give this book a go to a co-worker reading the book to the students I would go a little more into depth about the women mentioned in the book because I feel that the students will connect to the story more if they know who the woman are and their struggles. I feel that this is very empowering to the reader because it shows that we can do anything these woman did because they were people just like us.
