AmazonRestaurantsFooddeliveryfromlocalrestaurants. To fend off this possibility, the playbook must include specific instructions for addressing common objections sales might Automotive Sales Playbook. The playbook should collect all tools that will help reps move the customer through the decision cycle, and that means the more tools and detailed information you can provide, the more options your Automotive Sales Playbook have and the more responsive they can be to customers. Include this in the playbook – even as an appendix in the back of the playbook – if only to ensure that sales and marketing are pursuing the same potential customers.
