If only the heroes, villains, aliens and spies had received the message. It isn't just about content or form, but the sensibility, the connections it makes and the respect it has for the reader and our ability to work out the whole story from an incomplete account by a damaged but heroic first-person narrator. Amustreadforanysci-fynut. It was made into a fairly solid horror film called Village of the Damned and the Hollywood remake wasn't too bad. The cause of the destruction is never made clear.
