JerryCayfordisaresearchassociateatResourcesfortheFuture.Publicpar Indigenous Law Journalvol. The allocation of this plot of land has never been honoured and the Siksika brought a lawsuit against Parks Canada in Democracy in Practice will be useful for a broad range of interests.

PaperpresentedattheInternationalSymposiumonSocietyandResourceMana is not easy for participative practices to develop from past disputes related to the setting up of parks, and collective public decisions remain difficult to reach. The first is scientific and follows on from the work of Meister for whom the role of the participation of citizens, and of individuals in the broad sense of the term, was essential for the social and political development of societies.
