Or as Schlottoff In this episode from the beginnings of biblical history, consecrated persons can recognize a symbol of the asceticism which they need in order to open their hearts to the Lord and to their brothers and sisters. The canons required organizational reforms. Shesaidthattheyhadfourprioritiesingettingthiscongregationupandrur God draws near to us as the God who speaks to us. It is helpful to recall that, in coordinating their service to the universal Church with their service to the particular Churches, Institutes may not invoke rightful autonomy, or even the exemption which a number of them enjoy, in order to justify choices which actually conflict with the demands of

organic communion called for by a healthy ecclesial life. Nonetheless, it cannot be denied that in certain cases this involvement causes uneasiness and disorientation at the personal or community level, especially when these experiences come into conflict with the demands of the common life or of the Institute's spirituality.

He is, but we confess that the church is not a casual reality; it originates in the plan of God. It is important to understand that the congregation never takes over the plan.
